Vizianagaram, Andhra Pradesh, India | +91 7396898340 | vikasnubothu810@gmail.com
github.com/n-vikash | linkedin.com/in/vikash-834h

PROFESSIONAL SUMMARY

Final-year B.Tech (AI & Data Science) student with a strong foundation in Frontend Development, specializing in React.js, JavaScript (ES6+), HTML5, and CSS3. Experienced in building interactive, responsive web applications, integrating APIs, and working with browser-based features. Skilled in problem solving, debugging, Git/GitHub, and team collaboration — seeking a Frontend Developer opportunity.

EDUCATION

B.Tech — Artificial Intelligence & Data Science

Satya Institute of Technology and Management, Vizianagaram | Expected 2027 | CGPA: 7.51

Intermediate — MPC

Government Junior College, Vizianagaram | 2022

High School

Vivekananda High School, Salur | 2020

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Web Design, DOM Manipulation

Web Development: API Integration, Browser APIs, Component-Based Development

Libraries: Leaflet.js, Lodash.js

Programming: JavaScript, Python

Tools: Git, GitHub, VS Code

INTERNSHIP

Gen AI Intern | Pixel Wind [Visakhapatnam]

- Worked on web development using HTML, CSS, JavaScript, and Python; gained hands-on exposure to Generative AI concepts and tools.
- Collaborated with the team using Git/GitHub for version control and code collaboration throughout the internship.
- Assisted in debugging and testing web components to improve code reliability.

PROJECTS

Workout Tracker Map (Mapy) | React.js | JavaScript | HTML5 | CSS3 | Leaflet.js

- Built an interactive workout tracking web application using React.js and the Leaflet API.
- Managed global map state via Context API and used hooks (useState, useEffect, useRef) for logic.
- Implemented edit, delete, and marker-based navigation with dynamic form handling and event binding.

Four-Player Dice Challenge | JavaScript | HTML5 | CSS3

- Developed a multiplayer dice game supporting four players with turn-based gameplay mechanics.
- Implemented randomized scoring, winner calculation, and real-time result tracking for each round.

CERTIFICATIONS

- NPTEL — The Joy of Computing Using Python | 2025 | Score: 74%

SOFT SKILLS

Problem Solving, Teamwork, Communication, Debugging
